Wheel Word

Your target is to create as many words of 4 letters or more, using the letters once only and always including the letter in the middle of the wheel (and the one 9-letter word which uses all letters).

The image shows a digital interface for a word game. On the left side, there is a dark blue vertical panel with a progress bar for words of different lengths. The progress bar is divided into six horizontal segments, each representing a word length from 4 to 9 letters. The current progress is as follows:

Word Length	Progress
4-Letter Words	0/14
5-Letter Words	0/10
6-Letter Words	0/7
7-Letter Words	0/5
8-Letter Words	0/2
9-Letter Words	0/1

On the right side, there is a circular letter wheel. The center of the wheel is a light blue circle containing the letter 'O'. Surrounding this center is a ring divided into eight segments, each containing a letter: 'T', 'E', 'S', 'S', 'I', 'S', 'N', and 'N'. Below the wheel are three white buttons: a back arrow button on the left, a 'CHECK' button in the center, and a plus sign button on the right.
