Editing or cancelling a booking

Checking into a desk

If you need to make any changes to a booking, such as changing the date, you can do this from the bookings page. Simply click on the pencil icon.

You can also cancel bookings here if your plans change, by clicking on the dustbin icon and deleting your booking. You'll receive an email confirmation from Condeco if you edit or cancel a booking. Ahead of travel to Carnival House, (on the day of your booking) it's really important you log into the booking system and check into your desk by confirming you are feeling well and not displaying any Covid-19 symptoms.

To help protect all colleagues you shouldn't come to Carnival House if you have Covid-19 symptoms and should instead release your booking for the day.

On the day of your booking, when you log into the Condeco booking system, you'll be asked to complete the following self-certification form, by clicking on box next to the statement that matches your circumstances on that day. (Please note – you will need to complete the self-certification form every day you have a desk booked.)
