

Which Channel, when?

Compass is our new SharePoint based shoreside intranet designed to help you navigate your way at Carnival UK.

Use Compass to find:

The latest company news

Your Employee Hub

Our CUK policies and procedures

Support and self-service

Customised quick links

Carnival House information & events

Communities is our employee social network where we can interact and connect with colleagues from across the business.

Use Communities to:

Join groups of interest and be part of the conversation

Post, comment, like and share!

Connect with colleagues with similar interests

Get updates directly from leaders

Gather ideas, ask questions and tag your colleagues

Teams is your platform for working collaboratively with individuals and smaller groups.

Use Teams for:

Sending 1-to-1 or group chat messages

Video calls

Teamwork, such as working on live files or posting updates to your project teams

Outlook is used for email communication and calendar management.

Use Outlook to:

Send and receive emails

Schedule meetings

Keep track of important dates and deadlines
