

Sailing as four poem.

Since 1840, our voyage began,
Cunard sails where oceans span.
Queen Mary 2, our flagship bright,
Leads the fleet with regal might.

Queen Victoria, grand and bold,
Queen Elizabeth, tales unfold.
Now Queen Anne, our latest pride,
Charismatic on the tide.

Refined and thoughtful, we chart the way,
Proudly cruising, night and day.
Elegant and ever true,
Our values shine in all we do.

Cunard Line, with history grand,
Spanning seas and touching land.
Through every voyage, time has shown,
In elegance, we've always grown.

Together our ships, a legacy sweet,
In every harbour where we meet.
With every wave, our spirit's known,
Cunard Line, forever flown.
